The image shows a screenshot of the Zoom website's 'Join a Meeting' page. At the top, there is a dark navigation bar with the Zoom logo on the left and links for 'SOLUTIONS', 'PLANS & PRICING', 'CONTACT SALES', 'SCHEDULE', 'JOIN A MEETING', 'HOST A MEETING', and 'SIGN OUT' on the right. Below the navigation bar, the main heading 'Join a Meeting' is centered. Underneath the heading is a text input field with the placeholder text 'Meeting ID or Personal Link Name'. Below the input field is a prominent blue button labeled 'Join'. A large blue arrow points from the top of the page down to the input field. At the bottom of the page, there is a small link that says 'Join a meeting from an H.323/SIP room system'.

Before joining, make sure your audio/mic/camera are working.
